

Database Technologies Assignment - 02
Rollno: 210950320034, Name: Deepankar jadhav

Q12) Find all departments, which have more than 3 employees.

```
SELECT distinct Department_No FROM emp.employee  
GROUP BY Department_No HAVING COUNT(*) >3;
```

The screenshot shows the MySQL Workbench interface. The SQL editor contains the following query:

```
1 • SELECT distinct Department_No FROM emp.employee  
2 GROUP BY Department_No HAVING COUNT(*) >3;
```

The Results window at the bottom displays the output of the query in a table format:

Department_No
20
30

The interface also shows the Navigator pane on the left with the 'emp' schema selected, and the Windows taskbar at the bottom.
